The Vinyl Budget Frame Sign System

Our Budget Vinyl Sign Frame was designed as a permanent solution at an affordable price point. The Budget Frame is engineered to meet the requirements of a durable frame system. Our patent pending retaining block system holds the sign firmly in place and is completely internal to give a clean appearance.

- (2) 4" x 4" x 8' Vinyl Sign Posts
- (2) Standard Flat
- (4) Patent Pending Substrate Retaining Blocks
- All necessary hardware
- Custom Sizes Available

Please contact a representative for assistance or if you need more precise sizing options.

installation tips

The posts and the retaining blocks are routed to the appropriate thickness of your substrate. The retaining blocks will attach directly to your substrate and then insert into the routed post. Then, using provided hardware, the blocks will be secured to the post.

We recommend that you allow a 2" border on each side to accommodate the space taken by your panel fitting into the posts.
